

## Notice to customers

In the past the good name of Golliwogg has been abused by racists. The Ginger Pop Shop wants no truck with this abhorrent behaviour.

When Ginger Pop was a real shop, the staff were often reminded that they could refuse to sell Gollys to people who may abuse them. Thankfully, we never knowingly met a racist, but we did refuse sale to someone who wanted a golly as a toy for their dog. We also refused sale to motorcyclists, who by displaying a golly, would challenge each other to a RACE at traffic lights.

### ***If a racist throws a banana at a footballer, should you ban the banana?***

Our precious Right of *freedom of speech* does not give anyone the Right to harass or torment others. However, where there is no intention to give offence, it is the individual choice of others to take offence.

**With this in mind, Ginger Pop golliwogg merchandise is intended to be used to peacefully protest against WOKE culture.**

## **Conditions of sale**

Customers must watch our 20 minute video, *Good Golly - The Toy That Fought Fascism*

✓ I have watched the video – all of it!

Golliwoggs are the good guys and are sold for peaceful purposes. If you intend to taunt, harass or otherwise bully somebody, please seek help.

✓ The purpose for my purchase is kind and peaceful
